# President's Message

5

It is with great pleasure and enthusiasm that I write this message for the KUAA members night 2019.

KUAA have always attempted to do something meaningful to the society while observing the tradition of camaraderie.

When reminiscing over the events in the past year such as KUAA annual trip and the Australia Day Celebrations, I truly believe that we have successfully realised our goals of promoting unity and solidarity between our members. Also, KUAA is aware about its

social responsibility and we have pledged to continue our support towards the Disability Support Fund of Kelaniya University, that was established last year.

While playing a major role in strengthening the bond between members, the Members Night this year emphasizes the significance of resilience in the aftermath of recent unfortunate events in Sri Lanka.

I wish KUAA Members Night, all the success.
